

Faith in Christ – the Great Equalizer (part 2)

Series... Romans: Foundations of Faith

Message #23- Sunday, June 7, 2020

Romans 10-11-17

1.0 Everyone now comes to God in the same way, by faith in Christ ... calling on the name of the Lord. (Vs 11-13)

1.1 The life-changing message of hope in Christ is the only foundation for saving faith. (Vs 14-15a)

1.2 God delights in those who publicize His offer of hope for mankind. (15b)

2.0 Willful blindness to the truth keeps people from realizing what they are missing. (Vs 16-17)

**Did they not hear the messengers of God?
Did they not understand the message of God?
Did God reject His chosen people?**

Why then, did Israel not obtain what they so earnestly sought?
