Romans 12:3-8

- 1.0 To build up the body of Christ, we must begin with an honest self-assessment. (Vs 3)**
- 1.1 We are to reject all self-exalting thinking.**
- 1.2 We are to adopt a biblical mindset about our self.**
- 2.0 Using our own bodies as a pattern, we are to glean spiritual truths about the Body of Christ. (Vs 4-5)**
- 2.1 Our body, and the body of Christ, depends on many parts working together to function.**
- 2.2 Each believer is an integral and unique part of the body of Christ**
- 3.0 As believers, we are each to contribute to the health of the body of Christ by using our God given gifts. (Vs 6-8)**
- 3.1 Spiritual gifting is unique to each person but not better or worse than any other.**
- 3.2 The whole body suffers from our disobedience if we do not use our gift to make the body of Christ stronger.**
